

TIMOTHY W. FLYNN, PT, PhD

Dr. Flynn is board certified in Orthopaedic Physical Therapy (OCS), a Fellow of the American Academy of Orthopaedic Manual Physical Therapists (FAAOMPT), and a frequent research presenter at state, national, and international meetings. Dr. Flynn is widely published including 2 textbooks, 6 book chapters, over 50 peer-reviewed manuscripts, and over 60 published abstracts on orthopaedics, biomechanics, and manual therapy issues. He was the editor and author of the *The Thoracic Spine and Ribcage-Musculoskeletal Evaluation & Treatment* and *The Users' Guides to the Musculoskeletal Examination*, and the author of 3 educational CD-ROMs on Orthopaedic Manual Physical Therapy. Dr. Flynn has received numerous research grants. Awards include the James A. Gould Excellence in Teaching Orthopaedic Physical Therapy, the Steven J. Rose Excellence in Research (twice), the AAOMPT Outstanding Research Award (twice), and the Distinguished Alumnus- Marquette University Program in Physical Therapy. Dr. Flynn co-authored the Manipulation Education Manual (MEM) jointly developed by the APTA and AAOMPT for use in professional physical therapist programs. Dr. Flynn continues to maintain an active research agenda in the areas of spinal and extremity manipulation, low back disorders, characterization of spinal instability, and the development of clinical prediction rules. Dr. Flynn is an expert clinician and owner of Colorado Physical Therapy Specialists (www.ColPTs.com). His primary clientele is made up of individuals suffering from low back pain, chronic spinal disorders, failed back surgeries, and chronic pain disorders. Dr. Flynn's clinical expertise is frequently sought by national and international clients. He is on the executive board of Evidence in Motion (www.evidenceinmotion.com) an education and practice consultation company which passionately promotes a culture of evidence-based practice within the physical therapy profession. Dr. Flynn is the immediate past President of the American Academy of Orthopaedic Manual Physical Therapists (www.aaompt.org), an Associate Editor for the Journal of Orthopaedic & Sports Physical Therapy (JOSPT), and editorial board member of Manual Therapy. He is an Associate Professor and Manual Therapy Fellowship Coordinator, Department of Physical Therapy, Regis University (www.regis.edu/tdpt) where he teaches professional and post-professional students in the area of musculoskeletal management, advanced manipulation skills, and evidence based practice.
